Dear Judge Breen:

Please find attached a proposed Order Allowing Substitution of Counsel for the Defendants which I offer for your consideration. Per this Order the undersigned will be substituted as counsel for the defendants in the place of William Bradley and the Glankler Brown law firm.

I've consulted with both Mr. Bradley and Michael Richards, counsel for the plaintiffs, regarding this Order. Neither have any objections to same.

Thanks for your consideration in the above.

Very truly yours,

Robert D. Flynn
